 SUI 7 (Lara Stocker/Nicola Stoll)  
 SWE (Therese Westman/Robin Ahlberg)

# 6th International Mixed Doubles Trophy Aarau - Schedule of play

## **SYSTEM OF PLAY**

The International Mixed Doubles Trophy Aarau will be played with 18 teams in a round robin format with 3 groups of 6 teams and playoffs with 8 teams. All games are 8 ends with an extra end if needed. In case of a blank in the extra end, the team without the hammer in that end automatically wins the game. Only the final is played with as many extra ends as needed to decide the winner. Teams ranked 1st and 2nd in their groups after the round robin are automatically qualified for the Quarter finals. The two best 3rd ranked teams after the Round Robin (according to DSC ranking) are also qualified for the Quarter finals. Quarter-final losers are all ranked 5th with equal amount of prize money. All games will be played according to the WCF rules valid at the time of the tournament. There is no time limit. **Please note:** Playoff rinks may be changed depending on outcome of Round Robin. **Please don't delay your games; the game supervision will intervene in case of slow play.**

## **CHOICE OF STONE PLACEMENT**

Before every round robin game there will be a practice time of 5 Minutes for each team, followed by Last Stone Draws according to the WCF rules (first rock clockwise, second rock counter-clockwise). The first named team has red rocks and will start with its practice stones, followed by the second named team. The team with the better LSD has the choice of stone placement in the first end. Before each playoff game there will also be a practice time of 5 Minutes for each team. Throughout all playoff games, if competing teams are from different groups, the team with the lesser DSC has choice of either the first or the second practice or the stone handle colour. If competing teams are from the same Round Robin group, the team with the better win/loss record has the choice of the stone colour and playing first or second stone in the first end. If the teams have the same win/loss record, the winner of their round robin game has the choice of stone colour or playing first or second stone in the first end.

## **RANKING**

At the end of the round robin the ranking for each group will be drawn by following criteria: 1. Win / Loss record 2. Head to head result(s) 3. DSC (The single least favourable result is automatically eliminated when calculating the average distance.)
