1. World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meeting. The Team meeting will take place on Monday 4 October at 0900h (location to be confirmed).
2. The top 3 teams of each group qualify for the play-offs. Teams ranked 1st in their groups will get a bye. Teams ranked 2nd and 3rd will play in the semi-finals across the groups (A2 v B3; B2 v C3; C2 v A3). The winners of those games will then play the group winners (A1 v winner B2 v C3; B1 v winner C2vA3; C1 v winner A2vB3). The three winners of those games will qualify their Member Association for the Olympic Qualification Event (OQE).
3. All games are scheduled for eight (8) ends, with extra end(s) to break tied games.
4. There will be a seven (7) minute practice for each team before each round robin game. The practice starts 30 minutes before the scheduled game time. The team with the first practice during the round robin will be the team with dark stones, except for the highlighted games where a coin toss will determine first and second pre-game practice.
5. The choice of placement of stones in the first end of the round robin games will be decided by playing LSD stones as per WCF rules.
6. First named teams in each draw play the stones with the dark coloured handles, and wear dark coloured upper playing garments. Second named teams in each draw play the stones with the light coloured handles, and wear light coloured upper playing garments.
7. The ice for the post round robin games has been pre-determined. They are listed in the official competition draw above.
