- World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meetings. Men's meeting on 3 January at 11:45 and the Women's meeting on 3 January at 16:30 (Mirror Hall Kisakallio Sports Institute - Main building).
- The women and men have each been divided into 3 groups. At the end of the round robin series and tie-breaker games (there will only be one round of tie-breaker games), there must be a ranking for positions 1 - 3 in each group. The top 2 teams in each group plus the 3rd ranked team with the best DSC, advance directly to the quarter-finals. The other two 3rd ranked teams play a qualification game to decide the last team in the quarter-finals. Following the quarter-finals there will be semi-finals and final games, with the winners of the Gold, Silver and Bronze medals qualifying for the 2016 WJCCs.
The playoff match-up for the 1/4 finals will be:
(Game 1) 1st best DSC of the 1st ranked teams v to be determined* from the 4 other qualified teams
(Game 2) 2nd best DSC of the 1st ranked teams v to be determined* from the 4 other qualified teams
(Game 3) 3rd best DSC of the 1st ranked teams v to be determined* from the 4 other qualified teams
(Game 4) 1st best DSC of the 2nd ranked teams v to be determined* from the 4 other qualified teams
Semi-finals: winners of the 1/4 finals; opponents to be determined*
* to be determined - opponents will be selected on the basis of not having teams from the same group compete against each other. If necessary, the opponents will be determined by a "draw from the hat" (random selection) at the post round robin team meetings.
Losers of the semi-finals play in the Bronze Medal game.
Winners of the semi-finals play in the Gold Medal game.
- All games are scheduled for eight (8) ends, with extra end(s) to break tied games.
- There will be a five (5) minute practice for each team before each round robin game. The practice starts 15 minutes before the scheduled game time. The team with the first practice during the round robin will be the team with dark stones, except for the men's first game where a coin toss will determine first and second pre-game practice.
- At the conclusion of the team's pre-game practice, two players each deliver a stone to the tee at the home end; the first stone with a clockwise rotation, and the second stone with a counter-clockwise rotation. The distances are combined to determine the Last Stone Draw (LSD) for that game. The team with the lesser LSD distance has the choice of delivering first or second stone in the first end. If the LSD totals are equal, the team with the best, unequalled LSD will have the choice. If the individual LSDs are equal, a coin toss will determine which team has the choice.
- First named teams in each draw play the stones with the dark coloured handles, and wear dark coloured upper playing garments. Second named teams in each draw play the stones with the light coloured handles, and wear light coloured upper playing garments.
- The Chief Umpire will determine the schedule and ice for all post round robin games as soon as the number of games required and the opponents have been determined.
