- World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meeting.
- The 26 teams are split into four (4) groups, based on a WCF ranking established over the last 3 years. Each group plays a round robin. At the end of the round robins there will be a ranking for 1st and 2nd position in each group. The match-ups for the play-off games are as per the attached play-off chart.
- Four (4) Teams will qualify their Member Associations for the WMDCC 2023.
- All games will be eight (8) ends, with extra end(s) to break tied games.
- The first named team in each draw plays the stones with the dark-coloured handles, and wear dark coloured upper playing garments. Second named teams in each draw play the stones with the light-coloured handles, and wear light coloured upper playing garments.
- There will be a seven (7) minute practice for each team before each round robin game. The practice starts 25 minutes before the scheduled game time. In the round robin, the team with dark stones practices first.
- The last stone advantage in the first end of the round robin games will be decided by playing LSD stones as per WCF rules.
- The ice for the play-off games is pre-determined as per the attached play-off chart.
