- 1 World Curling Federation (WCF) rules apply, unless otherwise indicated below or explained at the Team Meetings.

The junior men have been divided into 3 groups, the junior women into 4 groups.

- 2 Junior men: The top 2 teams in each group plus the two 3rd ranked teams with the better DSC qualify for the quarter-finals and will be ranked 1-8 with comparing the DSCs from the teams with the same rank.
Junior women: The top 2 teams in each group qualify for the quarter-finals.
- 3 All games are scheduled for eight (8) ends, with extra end(s) to break tied games.

There will be a nine (9) minute practice for each team before each round robin game. The practice starts 30 minutes before the scheduled game time. The team with the first practice during the round robin will be the team with dark stones, except for the games marked in the draw. For those games a coin toss will decide which team has first and second practice.
- 5 The last stone advantage in the first end of the round robin games will be decided by playing LSD stones as per WCF rules.

First named teams in each draw play the stones with the dark coloured handles, and wear dark coloured upper playing garments.
- 6 Second named teams in each draw play the stones with the light coloured handles, and wear light coloured upper playing garments.
